VST Software License Agreement

1. Grant of License

The Licensor grants you a non-exclusive, non-transferable, perpetual license to install and use the VST software ("Software") on up to five (5) different computers or devices ("Activations"), subject to the terms and conditions of this agreement.

2. Perpetual License

This is a perpetual license, meaning you may use the Software indefinitely, provided you comply with this agreement. The license is valid for the specific version of the Software purchased.

3. Activation and Transfer

Each activation of the Software is tied to a specific computer or device. To activate the Software on a new device after reaching the activation limit, you must deactivate the Software on one of the previously activated devices. The Licensor may provide instructions or tools to manage activations and deactivations.

4. Restrictions

Reverse engineer, decompile, or disassemble the Software, except as expressly permitted by law.

Distribute, sell, rent, lease, or sublicense the Software to any third party.

Remove or alter any proprietary notices or labels on the Software.

Use the Software in a manner that violates any applicable laws or regulations.

5. Ownership

The Software is licensed, not sold. All rights, title, and interest in and to the Software remain with the Licensor.

6. No Warranty

The Software is provided "as is" without warranty of any kind, either express or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.

7. Limitation of Liability

To the maximum extent permitted by law, the Licensor shall not be liable for any damages, including but not limited to direct, indirect, incidental, special, consequential, or punitive damages, arising out of the use or inability to use the Software.

8. Termination

This license will terminate automatically if you fail to comply with any of its terms. Upon termination, you must cease all use of the Software and delete all copies in your possession.

9. General

This agreement constitutes the entire agreement between you and the Licensor regarding the Software and supersedes all prior agreements and understandings. If any provision of this agreement is held to be unenforceable, the remaining provisions will remain in full force and effect.
